The Mysore State sells the prescribed duty of 2 annas per gallon on the quantity of beer consumed in the Canteen during the Court of Revenue and the license fee fixed by the Excise Commr of the Mysore. As this is merely a temporary shop some fixed fee (not known) seems to have been levied. All the permanent shops are sold annually under the rules. The Canteen during the temporary shop depends upon the time & place of the holding of the Mid-year Court of Revenue. Consequently this shop does not seem to be sold

OFFICE OF THE EXCISE COMMISSIONER IN MYSORE.

DATED BANGALORE, 11th December 1907.

From

H. H. Sparkes Esquire.,

Excise Commissioner in Mysore.

S.R. 134-07-1.

To

C. S. Balasundaram Iyer Esquire., B. A.,

Offg. Secretary to the Govt of His Highness the

Maharaja of Mysore Genl. and Rev. Depts

SIR,

I have the honor to state that last year the Military authorities in their camp at Birsandra, asked for the issue of a license to their nominee to open a Native Beer Canteen for selling Bangalore Beer to the camp follow-ers such as grass cutters and others. Last year a temporary license was granted to one Nullaswamy Pillay on the requisi-tion of the Military authorities. The local contractor was willing to take up the concern but the wishes of the Military authorities prevailed. As a consequence the prayer of the local contractor for remission had to be recommended for the sanction of Government.

2. For the current year also Captain G. S. Tovey R. F. A., Adjutant 10th Brigade. R. F. A., desired the Deputy Commissioner to issue a license in the name of the same Nullaswamy Pillai. But on a reference to this office the Deputy Commissioner was requested to consult the Military authorities as to why the Beer Canteen should not be licens-ed to the local toddy contractor from whom an application had been received for the same. The Deputy Commissioner in forwarding a copy of the letter received from the Military authorities, writes to say, that he issued a license to Nullaswamy Pillai as desired by the Military authorities. Captain Tovey in his letter says that he regrets his in-

inability to give the tenentship for Native Canteen to the local contractor as the sole tenentship has already been given away and that when considering this tenentship about a month ago, notice was given to the principal contractors but one was not sent to the local contractor.

3. As stated above, this canteen for the sale of Bangalore Beer is solely intended for camp followers who are not members of the Department itself. As no such canteen existed previous to last year the followers used to go to the neighbouring toddy shops for their drink. Theright of issuing licenses to such canteens entirely vests in the Mysore Government and it is an infringement of such right if the Deputy Commissioner is to issue the license without any alternative to the individual whom the Military authorities nominate. The privilege of selling Beer in such canteens must be disposed of by the Mysore Govern-ment, subject to such restrictions as the Military authori-ties may desire in addition to the license conditions. It is a great pity that in this case the Deputy Commissioner should have issued the license in anticipation of sanction. As this is a temporary license for ten days he has been requested not to issue any license for a further period until the orders of Government are received in the matter.

4. In these circumstances, I solicit very early orders as to whether the right vested in the Government in virtue of Resolution V of 1901 should not be exercised and whether the Deputy Commissioner is only to issue a license to whomsoever the Military authorities desire, without consider-ing the local circumstances and the interest and right of the Mysore Government.

5. Copies of correspondence ending with this office docket No 4347 dated 11th/13th December 1909 are herewith enclosed for reference.

I have the honor to be,
Sir,
your most obedient Servant,

In forwarding herewith for favour of early orders, a memorandum dated 23rd December 1907, from Captain G. S. Dorey in the matter of opening a Beer Canteen at Bangalore Camp, has the honour to state as follows:—

An occasional licensee who has visited last year to the same party

party (Nallasamy Pillay) on payment of Rs 10/- for every ten days or portion thereof and on certain conditions, only at 2 as per gallon was charged

The Toddy Contractor of Bobbipur and other shops of the Devanhalli Taluk put in a Claim for Compensation as he had bid high in the hope of realizing a large profit by sale of Toddy during the Camp of Exercise and that he was willing to take up the license himself.

The above reasons cannot be put forward this year as the Contractor must have regulated his bid with last years experience.

No application for permission to supply Beer to Regiments has been received from the Current years Contractor. In fact Captain Dovey, in his memo, states that Nallasamy Pillay has been given the Tenancy ship of the Canteen for Native followers at Bangalore Camp this year.

Excise Commissioner in Mysore.

Sir,

Adverting to your docket No: 4347 dated 11th instant regarding the licence issued to Nallasawmy Pillay for the sale of beer at the Byrasandra Camp, I have the honor to state that as Nallasawmy Pillay has obtained from the Military Authorities the Tenancy for the whole period during which the Camp concentrates, and in order to avoid unnecessary correspondence and delay in the matter of renewing the licence after periods of ten days at a time, the licence was prepared once for all so as to continue till the Camp closes and issued, as in the last year, subject to the payment

payment of Rupees Ten only for every ten days in addition to the prescribed duty of two annas a gallon leviable on the quantity of beer sold.

2. The licence was forwarded on the 9th instant to the Excise Inspector, Doddaballapur Range, and might have been delivered to the party by this time. It would not therefore do to withdraw the licence at this distance of time.

3. It was brought to my notice by the Camp Civil Officer that past experience has clearly shown that it is better to leave it to the Military Authorities to make their own arrangements in such a matter as the opening of a canteen for the Native establishment in the Camp and that should local men be given the encouragement, the responsibility for preventing the

occurrence of disturbances and affrays, these canteens generally create, falls entirely upon the shoulders of the Civil authorities. As already stated in this Office No: A. 187 dated 9/10 th instant Captain Dewey was, as required in your Docket No: 4165 of 4th instant, consulted as to whether he had any objection to the Canteen being licensed to the local Todda Contractor Muthappa in preference to Nallasawmy Pillay, the party to whom the license has since been granted. Captain Dewey repelled his ability to give the tenantship to the local Contractor as it had already been otherwise disposed of. The matter was urgent and it was under the above circumstances that the license in question was issued. I would therefor request that some general measures may be kindly proposed to Government for adoption in this matter from next year

Copy of a minute No. 15-3-14, dated 20-1-08, from the Camp Commandant, Birasandra Practice Camp, to the Station Staff Officer, Bangalore Brigade.

As regards the system adopted during the current year.

Early notification was received from the Civil Authorities that plague and small pox were prevalent in the villages in the neighbourhood of Birasandra, and became absolutely necessary for me to place all villages out of bounds to all troops and native followers. An order to this effect was published in my Camp Standing Orders.

2. As soon as I commenced making arrangements for the practice camp I directed Captain Tovey, my Staff Officer, to make enquiries as regards a tenant for a Military canteen. The result of this enquiry was that I gave the tenantship of the canteen to Nallayswami Pillay, of course subject to his obtaining the necessary license from the Civil Authorities.

3. The Deputy Commissioner was requested to grant a ~~li~~ license to my nominee and acceded to the request. The Birasandra local toddy contractor was not considered when I considered the question of the canteen arrangements as his name was not then put forward. A letter was afterwards received from the Deputy Commissioner requesting that the tenantship might be given to the local contractor, but I had then already concluded an agreement with Nallayswami Pillay and regretted that I was unable to act as he suggested.

4. As regards para 2 of letter Pol. No. 516, dated 27-12-1907.

I look upon the native canteen at the Practice Camp as entirely a Military concern. The canteen is opened for attested followers, who are in all respects subject to Military discipline and it is, I consider, most necessary that the canteen should be in all respects under the direct control of the Camp Commandant.

C.S. Balasundram Iyer Esquire, B.A.,
Offg Secretary to the Government of
His Highness the Maharaja of Mysore,
General & Revenue Departments.

Sir,

With reference to correspondence ending with your letter No. Fl 4299/S.R 134-07-5 dated 28th February 1908 relating to the issue of a license for the opening of a beer canteen at Birasandr Camp of Exercise, I have the honor to state that the proceedure proposed by the camp commandant is generally acceptable. The Military authorities having accepted to leave to the Durbar the selection of the licensees and the disposal of the canteens as they think best, the beer canteen to be licensed shall be located within the camp area and shall be subject to the general conditions applicable to all Excise shops. It shall be open for inspec-tion to the Mysore Excise Officers of not lower in rank than Assistant Inspectors. The canteen will cater only to those for whom the Military authorities restrict and the currency of the license shall be strictly limited to the duration of the camp.

2. As regards the cancellation of the right of tenantship at the discretion of the Camp Commandant, proposed in para 5 of the minute, I beg to state that the right of cancelling a license vests in the officer who grants the license and as such it is the Deputy Commissioner who should cancel the license and not the Camp Commandant. The latter may, therefore, whenever he thinks it necessary, move the former to cancel the tenantship.

3. Subject to the foregoing conditions the proceedure propos in the minute dated 20th January 1908 of the Camp Commandant
